### Earlier in John:

Jesus said that He is the bread of life. He is using a metaphor.

Read John 6:51.

What do you think Jesus means by this, based on what we have been learning about Jesus' death and resurrection?

## What does this mean for me?

Right before today's passage, Jesus says that people who haven't seen him, but believe in Him, are blessed. He is talking about us! Today, we are told that these things are written so that we will believe that Jesus is our Saviour and is God's Son.

*What do you believe about Jesus? Is He your saviour?*
