Write down any words or phrases you don't understand, and what the preacher says about them:

---

# What does the passage mean?

God fulfilled his promise of giving land to Israel by using Joshua, a mediator (someone who goes between two people).

---

# How can I apply this?

We have a perfect mediator in Christ (Hebrews 9:15) and he will never abandon us. Get to know him better by reading the Bible, by praying, and by obeying God with the help of his spirit.

Joshua, son of Nun, Moses' assistant  
His name means
