Write down any words or phrases you don't understand, and what the preacher says about them: _____

What does the passage mean?

When God's people obey his commandments, they are able to be used by him in this world and can therefore see his goodness and rejoice!

How can I apply this?

We aren't yet entering into our promised land (heaven), but we can obey God and be used by him in this world for his glory. Read the Bible, learn more about God's holiness, pray that he will help you obey, and you too will be amazed by his goodness and will rejoice!

Joshua carefully followed Moses' instructions in Deuteronomy 27:1-8. Look up the blessings and curses that Moses commanded Israel to make when they entered the promised land (Deuteronomy 28:2-68). Below, write some of the blessings near Mount Gerizim and some of the curses near Mount Ebal. (You can add stick figures doing the shouting if you like!)
