What does the passage mean?

The Lord came through on his promise to give the land into the hands of the Israelites. He did this through his servant, Joshua, and by his own might. To us, it is miraculous that the sun should stand still and that the God of it all will answer the prayers of the upright! (Proverbs 15:8, 29)

How can I apply this?

God wants us to ask him for things in prayer. Take time to get to know him better by reading your Bible. As you grow in your relationship with him, your prayers will be more in tuned with his word and with what he wants for you – the blessings of his salvation and of his grace!
