What does the passage mean?

God did it all for Israel. He fulfilled his promise to Abraham, to give his descendants the promised land. Israel need only to obey and follow his commandments. But they won't be able to obey without being in a special relationship with their Lord, a renewed covenant.

How can I apply this?

Will you be a servant of the Lord like Joshua and Moses before him? It's too hard to do it on your own strength! Thankfully, Jesus was the perfect servant and, if we follow him, he will help you serve the Lord with all your heart, soul, mind, and strength and to love your neighbor as yourself! He is the NEW COVENANT and we are to be his WITNESSES to all the earth!

With this Kid Connect, we complete our study of Joshua. Look back through your other Connects, or through the book of Joshua, and write or draw Jesus a message about what you learned about God through this study and what it means for your life:
